Institution Research Committee (IEC)

Vision

Our vision is to build a vibrant research culture at IQ City Institute of Nursing Sciences by creating and supporting a research intensive environment for all the faculty and students.

Mission

- ❖ Maximize success in research endeavours.
- ❖ Expand the research capacity research portfolio for faculty and students.
- ❖ Facilitate and enhance partnerships and collaborations between faculty, government foundation and community services.
- ❖ To address important National and global needs.

Objectives

- ❖ Fostering competitiveness for student nurses in discovery, research and innovative activities.
- Enhancing research excellence in providing service and resources to faculty, students and staff nurses.
- Identify areas where research evidence could make the most different.
- Assist in building national and International knowledge about quality and safety in health care

Quality policy

- ❖ Promote quality education, to convert a novice into a competent expert in the relevant field at par with global standards
- ❖ Prepare them to meet the challenges of life with full of confidence
- ❖ Utilise research finding to improve the health of the people
- ❖ Participate in research activities for the development of health care and nursing profession
